

Norris Bank School Parent Teacher Association

What is the Parent Teacher Association?

It is a group of enthusiastic parents, supported by school staff, who organise a range of events across the year providing much needed funds.

Why do we do it?

We all want our children to love and enjoy school. We fund raise to enhance all aspects of it.

How can you help?

Join the PTA committee and attend meetings

Come along to one of our monthly meetings which are normally held on a Tuesday or Wednesday evening for about an hour. It's a great way to share ideas and discuss and plan events. You can also make lots of new friends.

Be a volunteer

All help is vital no matter how much or how little you are able to offer. It could be that you are able to attend a meeting, help with planning an event, run a cake stall or make a mad dash down to the local supermarket!

Support the events

Come along to the events and see how much fun they are, purchase raffle tickets or ask your employer for match funding. You could send in donations for the stalls or as prizes on the raffles. Any support you can offer is really important as we couldn't raise the funds we need without it.

We look forward to welcoming any of our parents, so why not pop along to our next meeting.
