# THE FRIDAY ISSUE

## Fri 7th May 2021 Issue 14

### Inset Day

Please note on **Friday 28th May** school is closed as an inset day (one day only). We re-open on Monday 14th June 2021 .

### Can you help?

We are looking for scaffolding boards, heavy wood sleepers and top soil / grass seeds to repair our garden and build our garden beds and seating area. If you have any and would like to donate them contact:

### Height, Weight & Hearing Screening

**Reception - Wednesday 19th May**

**Year 6 - Tuesday 25th May**

Parents in years Reception & 6 have been ParentMailed today regarding screening for their child's height and weight (hearing will also be screened in Reception).

Please take time to read the letter attached and follow the instructions to opt out if you do not want your child to have the screening.

Screening takes place every year in England with children in Year 6 have their height and weight measured, while children in Reception have their height, weight and hearing measured as part of the National Child Measurement Programme (NCMP).

The NCMP provides information to help build an understanding of national and local trends in child weight.

It is important to have a good understanding of how children are growing, so that the best possible advice and support can be provided for them and their families. Further information about the NCMP and healthy eating can be found on the Trust website—[www.stockport.nhs.uk/ourservices/schoolnursingstockport](http://www.stockport.nhs.uk/ourservices/schoolnursingstockport)

### Midday Assistant Vacancy

We are looking to appoint an enthusiastic, dedicated and caring Midday Assistant to join our supportive Midday team to start in September. A patient, friendly but firm approach to pupils is a desirable quality. Previous experience of working with children would be an advantage but not essential, for more information email:
