PLEASE NOTE: because this is the winter menu there are no sandwich options. If you want your child to switch from packed lunches to school dinners please inform the office but please give a week's notice.

Free School Meals

Have your circumstances changed? Do you think that your child/ren qualify for benefit FSM's?

If your child is currently in Reception or KS1 they currently receive Universal Free School Meals (UFSM). This is not the same as a benefit FMS. School does not receive extra funding for UFSM's. If your child is moving to year 3 in September do you qualify for FSM's? If you're not sure claim!

Use the link below or contact the office for further information.

Dogs on School Grounds

We recognise that dogs are an important part of family life for many in the school community and, as such, are often included in day to day activities such as walking children to and from school. However, others may find the presence of dogs in the playground and school grounds stressful, and frightening, particularly with younger children.

Therefore school policy is that no dogs are allowed on school premises (either on a lead or carried).

Bicycles and Scooters

Can we ask that bicycles and scooters are not ridden on school grounds. We positively encourage children to walk or cycle to school and we have our own bike and scooter store on site. Please ensure that once on the school grounds that your child gets off their scooter or bike and pushes it until off the school site.
