### Big Arts

This half term all classes have been immersing themselves in an artist's study. Each year group chose a different artist and the children looked at the type of art created and the media which had been used. The children were then inspired to create their own piece of art based on the original. We have been busy learning a range of art techniques to develop our skills including drawing, printing, sculpture and collage. The results have been fantastic and displayed in the hall are a range of oil pastel drawings, landscapes using mixed media, optical art, ice sculpture of the natural environment, parrots in the depth of the rainforest inspired by Rousseau, portraits in the style of Picasso and printed pop art. Thank you to everyone and all their hard work.

### Spring 2 Sports Afterschool Clubs

Priority bookings is now open. The booking page will be password protected and only open for children that attended clubs in Spring one.

The password will be taken off the system on **Monday 14<sup>th</sup> February at 7pm** and then any remaining spaces open to new children to join.
