

Creative Curriculum How fast this year has gone! In our learning journey this half term, we will explore the Roman invasion of Britain and the impact that it had, as well as the reach of the Roman Empire. Much of our learning across the curriculum will be linked to this topic. We hope the children enjoy this final half term of Year 4!

English

We begin by practising reading skills, using texts linked to our topic. We will use the Romans as inspiration for writing news reports, play-scripts and suspense narrative. Following the residential, we will write poetry inspired by the visit. Weekly grammar lessons and daily reading activities, including Guided Reading, will continue.

Maths We begin with telling the time and solving time problems, before moving onto line graphs. We will explore 2D shapes, angles and symmetry. We will finish using coordinates for position and direction.

Science Our final topic is Humans, where we find out more about our the organs in our digestive systems, as well as our teeth. There will be lots of interesting practical work to support our learning!

Important dates

W/b 4th July: Active Week, 6th July: Sports Day,
7th July: Meet the Teacher
8th July: Summer Fair & Reports sent home,
13th - 15th July: Year 4 Residential

Home learning Thank you for your ongoing support. Children should aim to complete 4 tasks from the homework grid this half term. In addition, in preparation for Year 5, there will be a maths activity each week linking to that week's learning

Spelling tests will be on Tuesdays.

Please continue to encourage reading, independently or with an adult, at least four separate days each week. Dates and pages read should be added to their reading record, with any feedback.

Music We will be singing Roman songs and creating marching beats, in preparation for our trip to Hadrian's Wall.

Art & DT We will use our sewing skills to create bunting for Vindolanda's anniversary celebrations. We will also use a variety of media to create Roman-inspired mosaics.

PE Outdoor games—Wednesdays. Please make sure your child has the correct kit in school and trainers every day for outdoor activities.

Computing We will use Purple Mash to experiment with creating music, as well as learning different ways to format our writing.

PSHE This half term we will think about rights and responsibilities, change and loss, and environmental issues.
