Can you help?

One of our parents works on the intensive care ward at Oldham hospital. The intensive care ward are currently trying to improve the well-being and mood of patients that may be on the ward for weeks and sometimes months.

They are on the lookout for items such as: **Portable DVD players, packs of cards, simple games like Jenga, Connect Four, puzzles up to 500 pieces or even any of those wipe-able games like Uno/Dobble etc.**

If you have any of the items and would like to donate, you can drop them off at school reception and we will pass them on.

Christmas Fete

Thank you to everyone that attended our Christmas Fete, the PTA have informed they raised a fantastic £1900.

School Performances

Thank you to everyone that came along to watch our children in their Christmas performances throughout the week. We're sure you'll agree the children and staff all did an amazing job.

Football

We recently took a year 5 team to Manchester City's training ground for a tournament. We played really well and had a couple of nail biting games that went to penalties but the team dug deep and got through to the final. Unfortunately we lost 1-0 to St Thomas' but the good news is we go back next year.

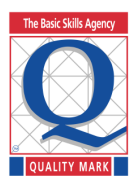

Our year 5/6 team had friendly against St Winnifred's. The team played fantastically but were beaten 6-5. It was great to host a game after the covid lockdown.

Hockey

We took a year 6 team to Priestnall where everyone played with wooden sticks (something we are not familiar with); however, our team weren't put off and are through to the Stockport finals next march. Well done to all.

Year 5/6 visit Priestnall

On Thursday 8th Dec year 5/6 children who play band instruments visited Priestnall to play with the older pupils there. The afternoon was finished off with a joint carol service. We would like to thank all the children and parents who attended. The children performed brilliantly and were a credit to the school. Mr Parker, Priestnall head of music would also like to pass on his thanks.
