MFL UPDATE

Ms Lightburn has recently been appointed as part of the Primary Transition Team at Priestnall. She visited our Year 6 children on Thursday 26th January along with a number of Priestnall students. They delivered an assembly to our children on 'Why Learn Languages?'

Year 5 Girls Football

On Thursday 2nd February we played an all girls match against St Thomas's Primary School. Both teams played incredibly well however, Norris Bank

won 5-1 !!

Well done to the entire team and to Mrs Buchannan for organising it.

Reggie and Rosie's Top Eco tips for saving water

1. SWITCH TO SHOWERS

Using a shower uses less water because a bath uses 400 L of water and a shower only uses 12 L of water in 10 minutes.

2. MAKE SURE YOUR DISHWASHER IS FULL!

This uses less water and less power so overall your gas bill will be less.

3. FILL UP THE KETTLE ONLY AS MUCH AS YOU NEED

This uses less water and less power so overall your gas bill will be less.

Medical Appointments

Please remember that, wherever possible, all medical appointments, including dental, need to be booked outside of the school day. For those that fall during the school day we require proof of the appointment such as a letter for our attendance records.

PTA Fund Raiser for Grown Ups Only!!

There are only **120** adult places. If you are interested then put your name, phone number and the amount of tickets you want on the front of an envelope. Put the money inside and then post it in the box located in the front office.

BROUGHT TO YOU BY THE NORRIS BANK PTA
