Active Week

We would like to thank Heaton Moor Rugby Club and Heaton Mersey Lacrosse Club who volunteered to come into school and coach some of our classes, Mrs Ash for her brilliant Yoga day, Boogie Bounce for the trampoline disco, Mr Brownrigg for his superb football sessions and of course our wonderful children who have thoroughly enjoyed themselves throughout the week.

Special mention to our Sports Ambassadors who have helped throughout, you are fantastic role models!

The children and staff have had a wonderful time with all the different sports on offer. Sports Day was a great success and the weather smiled on us for a change.

Teddy Bear's Picnic

Children starting in Reception in September came to school on Thursday accompanied by their teddies. They met their new classmates and had a lovely time whilst parents enjoyed refreshments in the Hive.

Football

Year 4 & 5

Our Y4 & Y5 teams were invited back to Manchester City for their respective finals and both teams played extremely well, Y4 finished 4th and Y5 finished 8th overall. 60 schools battled it out in the tournaments so to finish 4th and 8th is a brilliant achievement! Special mention to our goalkeepers Ivan Y4, Blake & Lois Y5. Player of the tournament goes to Logan Y4 & Oscar M Y5.

Year 6

Y6 had a Cup game on Tuesday against Warren Wood. They were a tough side but we managed to beat them 3-0! We are now through to the Semi Finals against Disley. Player of the match—Evan Well done!

Girls Football:

We entered a World Cup tournament representing Jamaica. The girls showed up in good spirit wearing the country's colours, face paints, flags, the lot! The team played well & finished 1st in the Inspire Programme, winning the plate. Well done to the team. Player of the tournament goes to Maisie.

Funtopia

Funtopia – The BIG Day Out for Little Kids is coming to Stockport this June as part of our UK summer Tour. The event is specifically designed for children under the age of 10, with all of the activities included in the entry price. Activities include high energy inflatables, role play areas, under 5's area, baby zone, activity arena, sumo suits, giant inflatable games and more!

We aim to be accessible to everyone. This is why we offer incredibly low prices, daily SEND sessions and donate hundreds of free tickets every year to families in need.

We want all families to be able to enjoy Funtopia and, considering the cost of living at the moment, not everyone can afford family days out. Funtopia is one of the cheapest children's festival in the UK. With a full day pass costing only £10 per child, £2.50 per adult and children under 90cm are free!

This year Funtopia is holding an Autism Friendly Session at the start of the event to allow neurodiverse children and families the chance to enjoy the event as well, in a much quieter session with the addition of sensory activities! More details on these sessions can be found on our FB page www.facebook.com/funtopiauk

Athletics

Our Y5/6 team took part in a Quad Kids competition at Woodbank Park,

90 children took part in 60m, sprint, 600m long distance, throwing and long jump events.

Norris Bank came 1st overall which was just incredible! Well done to Imogen, Florrie, Lottie, Claudie, Lois, Seamus, Senan, Alex, Oscar M & Max B who won his 600m long distance race overall!!

Trim Trail

During the summer holidays the Trim Trail in KS2's playground is being replaced. The new one will be made of recycled plastic which has very little maintenance and will last 30 years!

School would like to thank the PTA and you, the parents, for all the fund raising as it is you who have contributed to enable school to purchase this. The children are overjoyed!!

Year 5 Residential

Year 5 went on their Anglesey residential on Wednesday 5th and came back today.

They visited the castle, went on the beach, drank hot chocolate and had a whale of a time.

It's not been confirmed yet but Mr Clyne was seen taking his guitar on the trip so there will have been entertainment from him!

Everybody arrived back tired but happy.

Manchester Museum

During the spring term, Year Four entered the 'Carbon Ruins' competition with Manchester Museum. As part of this event, the children imagined what life might be like in a carbon free 2050, and what might have happened in the years leading up to the world becoming carbon free. They chose an artefact that would then reflect the next thirty years on Earth. Both class entries can be found here, on the online exhibition:

<https://carbonruinsmanchester.wordpress.com/carbon-ruins-manchester-online-exhibition-2023/>

HUGE congratulations to Hermione and Hudson from 4JEDE, whose entry was one of the winning twelve entries. Their artefact will be on display as part of the physical exhibition at the museum, which launches on the 18th July!

Toys Wanted

Do you have any large toys, which are in good condition, suitable for outdoor use that your child no longer plays with?

For example; kitchens, workbenches, play mobil equipment, cars etc.

These will be used by KS1 and Branching Out.

Please bring any donations to the office for the attention of Mrs Stanley.
