

Creative Curriculum In our learning journey this half term, we will explore the Roman invasion of Britain and the impact that it had on our culture, as well as the historical evidence that survives. Much of our learning across the curriculum will be linked to this topic and our residential. We hope the children enjoy this exciting half term of Year 4!

English We will be using the Romans as inspiration for writing news reports, poetry and character descriptions. Weekly grammar lessons and daily reading activities, including Guided Reading based on texts about the Romans, will continue until the end of term.

### Home learning

Children should aim to complete 6 tasks from the homework grid this half term. Spelling tests will be on Tuesdays. Please continue to learn the weekly spellings and the year 3/4 spellings.

Please continue to encourage reading, independently or with an adult, on at least 4 separate days each week. Thank you for your support.

### PE

Outdoor games—Monday  
Indoor PE—Wednesday

Veni, Vidi,  
Vici

### Important dates

Residential 17-19th June

Times table check—WB 9th June

Get Active week—WB 24th June (Sports Day 26th)

### Maths

This half term we have begun on topic learning about Roman Numerals. We will be learning to read the time, using analogue and digital clocks and convert to the 24 hour clock. We will learn how to calculate the area and perimeter of regular, irregular and rectilinear shapes. We finish off learning about symmetry and translation in shapes; measuring and comparing angles and line/bar charts in statistics.

RE Our focus this half term will be life as a journey as we look forward to Year 5.

Music This half term we will be singing Roman songs and creating marching beats.

Art & DT We will create Roman inspired artwork using a variety of media, including textiles to produce a Roman game.

Science We turn to 'Humans' this half term, where we find out more about our the organs in our digestive systems, as well as our teeth.

Computing We will experiment with creating music and animations, and continuing to learn about staying safe online.

### PSHE

This half term we will learn about the effects of medicines and common drugs like alcohol and vaping.
