

<p>Welcome back!</p> <p>We hope you have had a relaxing break. This half term our topic will be 'We like to move it move it'. We will be learning about the history of transport and some of the famous people who helped make our transport today. Our final outcome for this topic will be to make our own wheeled vehicle to take part in The Great Race.</p> <p>Dates for your diary:</p> <p>Monday 9th June Phonics screen checks begin Thursday 12th June Liverpool Museum trip Friday 20th June Summer Fair Monday 23rd June Get Active Week Wednesday 25th June Sports Day Thursday 3rd July Transition Day Friday 11th July School Reports to parents Friday 25th July School closes for summer</p>	<p>English</p> <p>This half term in English we will be looking at a variety of non fiction texts about transport, using these to develop and inspire our own non-fiction piece. We will be continuing to focus on accurately writing a sentence using the high five sentence structure. We will also be looking at continuing to improve our sentences by adding adjectives and using proper nouns.</p> 	<p>Maths</p> <p>This half term in maths we will be looking at ten and a bit strategies. We will be using our embedded skills of calculations to 10 to answer equations to 20. We will be learning how to tell the time to the nearest hour and half hour. We will begin to identify different coins and notes and count in 2s, 5s and 10s using coins.</p> <p>PE</p> <p>The children will continue to have their weekly outdoor games session on a Tuesday afternoon with the school sports coaches. On Friday mornings we will continue with gymnastics with Mrs Buchanan.</p>
<p>History</p> <p>In history we will be learning to ask and answer questions using artefacts and photographs. We will be learning to give a plausible explanation about what an object was used for in the past.</p>	<p>PSHE</p> <p>In PSHE we will be learning about belonging to a community. We will think about what rules we follow and the different places that we follow rules. We will be exploring how everyone has different needs and how we care for everyone differently. We will also be thinking about our environment and how we care for it.</p>	<p>Music</p> <p>In music we will continue with using percussion instruments to explore tempo, timbre and pitch.</p>
<p>ICT</p> <p>This half term in ICT we are going to practise the skills we have learnt this year by making our own animated story and saving it to our work folder and retrieving it to continue weekly.</p>	<p>D and T</p> <p>In design and technology we are going to be researching and analysing wheeled vehicles. We will use our findings to design and make our own vehicles with axles and wheels. At the end of the unit we will be racing our wheeled vehicles to see which one is fastest.</p>	<p>RE</p> <p>In RE we will be looking at belonging to a faith community and discussing ways in which Christians celebrate this. We will be learning about Christians and marriages in the Christian community.</p>
